VI. AGENCY UPDATES

A. Springfield-Sangamon Regional Planning Commission (SSCRPC)

Shannan Karrick reported that staff had assisted SMTD with researching environmental justice programs (Justice 40 and the Climate and Economic Justice Screening Tool) and continue work on the Sangamon County Safety Plan and FY 2023-2026 Transportation Improvement Program (TIP). The new TIP will also be available as an online app available to the public. Ms. Karrick also said that SSCRPC transportation staff would have a booth at the Juneteenth Celebration to increase public awareness and participation in transportation planning. She also indicated members were welcome to include anything they would like to share or publicize.

B. Sangamon Mass Transit District (SMTD)

Erik Bush updated the following projects:

Parking Lot and Storage Building Renovations (TIP # 06-2016-13):

The storage garage renovation is out for bid.

Furniture, Fixtures, and Equipment (FFE) for New Transfer Center Annex (TIP # 06-2022-10):

This project will likely be delayed.

The public pilot for account-based fare cards is currently planned to launch in late July.

The Zero Emissions Fleet Transition Plan was approved by the board at SMTD's May 25, 2022 meeting.

The agreement to bring Greyhound to the transportation center is nearly complete. Greyhound will have one stop and provide service three times a week.

C. City of Springfield

David Whitworth updated the following projects:

Chatham Road:

The Leland Grove portion is wrapping up with utility adjustments and striping.

Hilltop Road Multi-use Trail – Phase II (TIP # 02-2022-07):

Road and trail work continues.

Churchill Road Bridge (TIP # 02-2023-05):

Construction may be delayed due to bats inhabiting trees in the construction area. The project is still scheduled for this current fiscal year.

Usable Segment V – Cook Street and South Grand Avenue Underpasses (TIP # 02-2021-06):

A road closure is planned for this month and will be publicized.

Usable Segment IV – 5th Street and 6th Street Rail Underpasses (TIP # 02-2019-05):

Work continues on the structures. There will be couple of 10-day road closures for the underpasses in July.

Usable Segment III (Capitol Avenue between 9th and 11th Streets):

Utility relocation work is underway and the road is scheduled to be closed next week.

Usable Segment III – Madison & Jefferson Underpasses (TIP # 02-2023-06):

The closure is still planned for September at this time.

4th Street and Washington Street Garage:

Demolition work continues and the Station House will also come down.

Signal Study:

The traffic signal study at 5th Street, 6th Street at Iles Avenue and Oberlin Avenue.

Stanford Avenue (TIP # 02-2010-09):

The project will be rebid in the fall. Utility relocation work continues. Ameren has completed their portion. CWLP water should start in the next couple of weeks, followed by electric.

Annual Street and Road Maintenance Program; Mill and Overlay (TIP # 02-2022-03):

Overlay continues on the south and east sides of town.
